PROFESSIONAL SUMMARY

Operations and project coordination professional with 3+ years across Order Management, Contract Management, Project Administration and PMO Support at Genpact, Infosys BPM and Hical Technologies. Skilled at project setup, SOW and contract validation, stakeholder coordination and KPI reporting, with hands-on SAP ERP and Salesforce CRM experience. Builds workflow automations and dashboards in Power Automate, Power Apps and Power BI to cut manual effort and improve reporting accuracy. B.E. in Mechanical Engineering.

CORE SKILLS

Business Operations: Order Management · Contract Management · Project Coordination · PMO Support · Stakeholder Management · Process Improvement

Systems & Tools: SAP ERP · Salesforce CRM · Microsoft Excel · SharePoint Online · Microsoft Forms

Automation & Analytics: Power Automate · Power Apps · Power BI · KPI Reporting · Dashboard Development · Workflow Automation · QA Auditing · Data Analysis

PROFESSIONAL EXPERIENCE

Management Trainee – Project Coordination & Order Management | Genpact India Pvt. Ltd. *Dec 2025 – Present*

- Support end-to-end project setup and administration, ensuring compliance with project management standards.
- Review SOWs, project estimates and supporting documents to validate project creation requirements before setup.
- Coordinate with Project Managers, Solution Advisors, Sales and Operations teams to enable smooth project onboarding and execution.
- Maintain project records: billing contacts, customer details, funding sources and resource assignments.
- Run quality checks on project data and resolve discrepancies in contracts, budgets and revenue dates.
- Prepare project status updates and drive process improvements that raise operational efficiency.

Senior Process Executive – Contract Management | Infosys BPM Ltd. *Apr 2024 – Nov 2025*

- Managed order booking, project creation and contract activities while consistently meeting SLA requirements.
- Validated Purchase Orders, SOWs, Quotes, Customer IDs and Ship-To IDs to ensure accurate order processing.
- Worked with Sales, Finance, Logistics and Delivery teams to enable seamless order fulfilment.
- Supported contract validation and eSignature processes for global stakeholders.
- Resolved order modifications, cancellations, holds and pricing discrepancies during critical business cycles.
- Trained new team members and contributed to process improvement initiatives.

Junior Engineer – Order Management System | Hical Technologies Ltd. *Mar 2023 – Mar 2024*

- Managed end-to-end order processing in SAP ERP, from order creation through execution.
- Coordinated with sourcing, planning and logistics teams to meet customer delivery requirements.
- Processed invoices and resolved order-related disputes to support customer satisfaction.
- Produced operational reports and performance metrics for management review.
- Identified process gaps and proposed improvements that reduced operational delays.

AUTOMATION & ANALYTICS PROJECTS

- **QA Audit Solution (Microsoft Forms, Excel):** Built an audit data-collection and tracking solution with dashboards to monitor audit performance and quality metrics.
- **Audit Notification Automation (Power Automate, Forms, Outlook):** Automated audit result emails to processors with findings, next steps and corrective actions, and escalated failed audits automatically, removing manual follow-up and improving timeliness.
- **Daily Audit Summary Automation (Power Automate, Outlook):** Automated daily audit summaries and email notifications, reducing manual effort and improving reporting accuracy.
- **Power BI KPI Dashboards (Power BI, Excel):** Created interactive KPI dashboards and operational reports to support day-to-day decision-making.

EDUCATION

Bachelor of Engineering, Mechanical Engineering – Visvesvaraya Technological University 2023

ACHIEVEMENTS

- Earned continuous 5-star ratings and positive client feedback.
- Received top-tier ratings from leadership for service excellence and Top-Quality Performer recognition.
- Consistently maintained 100% quality output aligned with organisational standards.
